

General English

We offer a wide range of General English courses, designed to be as flexible as you need them to be. Read more about our General English classes here and follow the links on the right-hand side of this page to learn about our specialist General English courses.

Course Description

The General English classes concentrate on improving every aspect of your English. We firmly believe in developing each student's communicative competence so that you are able to activate the language you already have, and build on this further in a stimulating and motivating environment. In any typical week, you will work on developing and improving communication skills and the focus in the classroom is on using language in real situations.

Fact File
