

IELTS

The IELTS (International English Language Testing System) examination is designed for students who wish to study in a university or college. The scoring system is on a scale of 1 - 9 and most British universities require a score of 5 - 7.5.

Course Description

This course prepares you for the examination and also provides general training in study skills. Classes combine input and practice with regular tests to practise each skill. You choose between the Academic Module and General Training Module,

both of which consist of papers in Reading, Writing, Speaking and Listening. In each paper, students are tested on the skills they will need for further study in an English language environment.
