

MBA English Course

The course covers English academic skills and developing English language knowledge. The course is suitable for students wishing to apply to an American or European educational institution, for students who want to study in a university or college in the UK and for those wanting to study a Masters of Business Administrative course.

Who is this course for?

This course is designed for students planning to study a Masters of Business Administration programme. All professionals are welcome on this course, particularly if planning to apply for the MBA Programme at any international university.

What are the course requirements?

We ask that you complete a short Needs Analysis. We may also ask for an online video assessment (eg. Skype) to establish your motivations and goals and to ascertain your level of English (B2 Upper Intermediate or above is ideal).

How long can I take this course for?

The course is as flexible as you need it to be. You can take it for as little as 1 week or for several months. Classes begin on the first Monday of any month and you can choose a time that is convenient to you - morning class (9.15-12.30) or an afternoon class (12.40-16.35), or a combination of both.

What topics are covered in this course?

Depending on the specific needs of each group, the course will contain elements of:

GMAT preparation

The Graduate Management Admissions Test is often an essential stage in applying for an MBA Programme. Training may include aspects of both the maths and verbal reasoning elements. Focus on strategy and technique is incorporated into intensive training sessions, led by experienced GMAT teachers.

Business English and Communications

The ability to communicate effectively in key managerial situations is a main focus of the course. Handling negotiations, introductions, giving presentations and reporting are just a few examples of key topics that are covered.

With your teacher's expert guidance the input encompassing all areas of these challenging exams, your chances of achieving your desired scores and ultimately accessing the MBA course of your choice is considerably improved. Assistance is also provided in registering for the respective exams, so you are supported throughout the study experience.
