

TOEIC

Course Description

TOEIC (Test of English for International Communication) is a test for students in certain countries who plan to study at university, or for professionals who require a TOEIC score to improve their career prospects. The TOEIC test is designed to build students' knowledge of the English language for study and for work and many of the vocabulary areas are specifically related to a university or professional environment. The scoring system gives you points out of 990 and a typical score is between 825 and 950.
